** SPECIAL OFFER ** 2nd CHANCE REWARD **

Due to a wonderful partnership between the Schonstedt Instrument Company and the Mount Diablo Surveyors Historical Society we are both excited to announce a 2nd chance special offer to anyone (or company) that purchase tickets for this years magnetic locator raffle. This reward is being offered to those supporters of our raffle that did not win this year. (Yes, this offer is open to the lucky winner as well.)

Tickets purchased this year are eligible for a dollar for dollar discount of up to a maximum of \$225 (depending on model selected) towards the purchase of a new locator directly from the manufacturer. This offer is valid on four models, which include the GA-52Cx, GA-72Cd, GA-92XTi and GA-92XTd.

Locators must be purchased directly from Schonstedt by calling their Customer Service Department at 800-999-8280, and referencing MDSHS. Limit is one per customer. This is a limited time offer. Locators must be purchased by August 24, 2008 (six months after our raffle). Payment must be made by credit card. Shipping via UPS to the buyer's location is in addition to the sale price.

You must have your ticket stubs in hand when you call. Tickets being redeemed will be checked against a list of ticket purchasers that will be provided to Schonstedt and must match the customer. (In other words no combining tickets from another ticket purchaser).

Here is how it works. Purchase one ticket for \$5 and take \$5 off the list price. Purchase 2 tickets and take \$10 of the list price, purchase \$150 worth of tickets and take \$150 off the list price, so on and so on up to the maximum discount listed below opposite each model. It's that simple! MDSHS wins by receiving your generous tax-deductible donation and you win again with a great discount offered nowhere else on the magnetic locator of your choice. How can it get any better than that! (Well it can but this is as far as we are willing to go.)

Model No.	List Price	MDSHS Maximum Discount	MDSHS Special Price
GA-52Cx	\$ 885.00	up to 23.3% maximum discount of \$205	as low as \$680.00
